Roter Reif 2022

Variety	Blaufränkisch: 2/3 Red, 1/3 Rosé
Indication	BIOwein AT-BIO-402, L23005
Origin	Mittelburgenland, Horitschon
Soil	chalybeate clay - rich in iron
Harvest	September 2022
Maturation	fermented in stainless steel tanks, matured in oak barrels for 7 months. Minimal sulfurization.
Bottling	September 2023
Taste	Delicately scented, elegant and soft body Lively on the palate with a mild finish Ready for drinking at an early stage
Values	12,5 % vol. alcohol

Best	Drink it from the fridge – 6°C, broad, versatile dining companion
Comment	Sommerrot is a red wine that is drunk ice-cold. Thanks to the special yeast expansion and the rosé content in the wine, this becomes a new taste experience and represents a real alternative to white wine. A drinking pleasure not just for summer evenings!
